We've assigned this to Mark and Mahri (in the AK ops office who is working with the press team). Mark is in tomorrow and can get up to speed.

This case is moving along faster than originally thought. We expect the signed CAFO back any time now. Can we get someone assigned soon?

Hello,

We have reached settlement in agreement with the Flint Hills Refinery (North Pole Alaska).

We expect that this case will be concluded (filed) by mid-September (no later than September 30, 2014).

Details of the case may be found in the attached request for press support form.

If you have any questions please contact either the case officer Xiangyu Chu or our Attorney Shirin Gallagher.

Thanks,

Cheryl Williams (on behalf of Scott Downey)
